### 4<sup>th</sup> Annual Deer Creek Members Rendezvous

What a great weekend for a relaxing rendezvous. Deer Creek Muzzle loaders had their 4<sup>th</sup> annual Members Rendezvous this past weekend, September 15th, 16th, and 17th.

Twenty eight shooters, including one junior came out to shoot some powder. There was also a family member that came out to try his luck at learning how to shoot some powder.

There was six targets in the blanket shoot aggregate, two buy in pistol matches, one Jim's Jar, buy in target, and one ladies 50 yard buy in target to fill the weekend. There was no entry fee, other than a ten dollar item for the blanket, and top score got to pick off the blanket first, and as Brian Connely said, its like kindergarten, everyone gets to take something home.

During the shooting on Saturday, Dane held a Mountain Man Walk for those who wanted to participate. Dane did a great job putting the Walk on. He said that next year will be even better, with more time to plan a greater walk. Way to go Dane for putting it on.

After all the shooting was done on Saturday, we had a great meal cooked by Brian Connely, and Jim Mevissen. They were to the range by 7 a.m. to cook a full pig. And was it great!! Those guys can sure cook. Everyone else brought a side dish to share.

Sunday, wrapped up the shooting at noon, and lunch was served, and then it was onward to the awards. Overall, it was a great weekend for Deer Creek Members to come out to the range and enjoy one last nice weekend for the summer.

So until next years rendezvous, Happy Shooting.

Sandy Ladwig
